NewGen NGB19 – DO35 Hitch | Independent Suspension | Fully Equipped

Experience comfort and capability with the 2026 NewGen NGB19. Designed for modern travellers, this model blends premium finishes, smart storage solutions, and thoughtful features to create the perfect home on the road.

Built for confident touring, the NewGen NGB19 features independent suspension and a DO35 off-road hitch, delivering smooth handling and reliable towing across a variety of road conditions. Whether you're heading to your favourite holiday park or exploring off the beaten track, this model is ready for the journey.

Enjoy a fully equipped kitchen, comfortable living area, built-in entertainment system, and roof-mounted air conditioning for year-round comfort. With generous water capacity, solar power, and a lithium battery system, the NewGen NGB19 is suited to both powered sites and off-grid adventures.
