- Television

THE ULTIMATE KIWI FREEDOM MACHINE

EUROPEAN LUXURY IN A COMPACT FOOTPRINT

Looking for an uncompromising, go-anywhere premium motorhome?

Solar Panel included

This NZ-New 2017 Adria Twin 600 SP perfectly balances high-end European craftsmanship with nimble, compact convenience. At exactly 5.99 metres long, it drives like a car, parks easily in standard supermarket bays, and qualifies for the cheaper vehicle rate on Cook Strait ferry crossings.

Best of all, with a GVM of 3,500 kg, this entire setup can be driven on a standard Class 1 car licence—no expensive Certificate of Fitness (CoF) required.

DRIVETRAIN & SMART TRANSMISSION

• Engine Performance: Highly dependable 2.3L Fiat MultiJet (150 HP) turbo diesel engine.

• Transmission Specs: Factory 6-speed Comfort-Matic automated manual transmission.

• Driver Benefit: The Comfort-Matic system provides the clutchless convenience of an automatic around town, alongside the option to manually lock the vehicle into lower gears for total control when navigating steep hills or coastal ranges.
