2021 LDV Deliver 9 Campervan

Vanlifer Prototype
Custom 2-Berth Off-Grid Camper
| 2.0L Turbo Diesel Auto | 200Ah Lithium | Hot Water & Toilet | EWOF Certified
Be the first to own the blueprint for Vanlifer's newest campervan model. Built in-house by Vanlifer—one of New Zealand's leading fleet campervan specialists—this 2021 LDV Deliver 9 is the official prototype build. You get the exact layout, modern finishes, and high-spec off-grid setup of their upcoming new series at a sharp, one-off prototype price.
Ready to hit the road immediately with a certified EWOF, 200Ah of lithium battery power, engine heated hot water, and a swivel cassette toilet.

Key Highlights

• Official Vanlifer Prototype: One-off build showcasing Vanlifer's newest campervan series layout and finishes.
• Serious Off-Grid Power: 200Ah Projecta Lithium setup, 200W solar, and a 2000W pure sine wave inverter capable of running the induction hob and microwave off-grid.
• Gas-Free Living: Induction cooktop, microwave, and an Isotherm Slim hot water system heated by the engine while you drive.
• Bathroom Convenience: Fixed swivel cassette toilet with external access plus a shower outlet.
• Easy Driving: 2.0L turbo diesel automatic—drives on a standard Class 1 car licence.
• Peace of Mind: EWOF certified and backed by a 60-day Motor Hub warranty.
