2021 Forest River Wildwood FSX 178BHSK Comfort Plus

(Slide-Out Family Bunkhouse)

Vehicle Overview:

Available for viewing by arrangement via the Motor Hub Auckland team!

This immaculate, highly capable 2021 Forest River Wildwood FSX 178BHSK is the ultimate lightweight American family tourer. Built in 2021 and imported to New Zealand brand new in 2022, this caravan is fully NZ-compliant, extensively upgraded, and completely road-ready.

Thanks to its lightweight design (1,700kg Tare), it is exceptionally easy to tow, meaning you do not need a massive, specialized vehicle to hit the road and start exploring New Zealand!

The clever interior utilizes a deep slide-out section to massively expand the living room, while the space-saving Murphy bed and dual rear bunks comfortably accommodate the whole family.

Fully optimized for self-contained freedom camping with an upgraded solar charging system and huge water tanks.

⋆ Key Feature Highlights:

• Family Friendly Layout: Rear double bunk beds for the kids + private master Murphy Bed that folds away cleanly over the living room couch.
