2017 Venus 570

The Venus 570 is a lightweight, compact touring caravan, which is designed for ease of towing and comfort. It's a popular choice for people looking for a small but functional caravan, with a focus on both practicality and style.

Key Specifications:

Overall Length:

Approximately 5.7 meters (18.7 feet).

This makes it a mid-sized caravan, suitable for families or couples.

Towing Weight:

The Venus 570 has a gross weight of around 1,300 kg, so it's light enough for many mid-sized cars to tow, but you should always check your vehicle's towing capacity.

External Width:

Approximately 2.3 meters (7.5 feet).

This width makes it suitable for standard roads while providing decent internal space.

Internal Length:

Around 4.0 meters (13.1 feet).

Berths (Sleeping Capacity):

Typically, this model provides 4 berths, so it's ideal for small families or couples who want to accommodate guests. The layout usually features a fixed bed and a convertible seating area.
