2013 Eddis Chatsworth 540 – 4-Berth, Fixed Bed, Solar & Awning – Immaculate

If you've been searching for a well-spaced, easy-tow UK caravan that's ready to go straight from purchase – this is it. Our 2013 Eddis Chatsworth 540 presents beautifully throughout and comes loaded with extras that most vans at this price simply don't have.

The layout is hard to beat. A fixed rear double bed means no making up beds at the end of the day, while the generous front lounge converts to a second double for guests or kids. The full bathroom with separate shower sits neatly between the two sleeping areas, and the centre kitchen gives you everything you need – gas hob, oven & grill, 800W microwave, and a 112L 3-way fridge/freezer.

Off-grid ready. Solar panel, house battery, and inverter are all fitted – so you can run 240V appliances even when you're away from powered sites. Full awning included, so you can set up a comfortable outdoor living space wherever you park up.

Tow it with confidence. The Chatsworth 540 is a well-regarded lightweight van. With an MTPLM of around 1,410–1,450 kg and a MIRO of approximately 1,275 kg, it's comfortably within reach of most modern SUVs and wagons.
